

Your community is no longer accepting the treatment of you and themselves by Corporations and their greed. We refuse to stand by and watch another extermination of those in need.

Kindness Credits

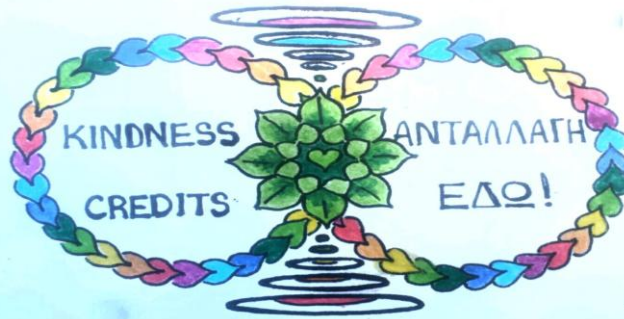

is a community run project that offers a restoration of people's rights using The Law. We have perfected securitization of assets stolen from people like you and now want to restore your rights to them

Your community is no longer accepting the treatment of you and themselves by Corporations and their greed. We refuse to stand by and watch another extermination of those in need.
